

Leads

When I was little I used
to always have my pillow.
Boy did I love that pillow.

Did you ever ~~wonder~~ see
your mom with a
big garbage bag throwing
the toys that you don't
like any more ^{out} and wonder
how did you once like
all this stupid stuff.

My mom takes a big sigh
when I say I need
a new toy cause my
old ones bore me.

My mom takes a big sigh as she
puts my out grown clothes and
old toys into a big garbage bag
^{think to myself} how did I once like all
this stupid stuff?

Jonathan trying out leads for his draft.
