

Topic - My dad + I not spending
so much time together.

I don't get to see my dad a lot. When I do it's a great honor. I don't get to see him because he's a law student. When he gets a day off it's just me and him. We go to the movies. We go to see "The Hard Time Crooks." It's raining so it's a good time to go. We wait on line for the longest time. We go to the 87th street cinemas. We go inside and wait to get popcorn. We share a large with nice creamy, buttery, butter. We go into the movies. The previews start right when I get in my seat. We cuddle and carefully eat the popcorn one by one. Hypnotized into the movie, staring at it. When it's done, we get in a cab and go home.
