A Cause and Effect Map template. It features a large rounded rectangle at the top for the effect. Below it, a vertical line descends, with five horizontal lines branching off to the right, each leading to a rounded rectangle for causes. The layout is designed for a student to write a problem in the top box and list five potential causes in the boxes below.

## Timeline

Name: \_\_\_\_\_

Date: \_\_\_\_\_

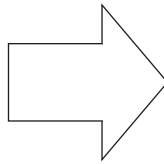

A vertical line on the left side of the page serves as a timeline axis. Six horizontal, rounded rectangular boxes are connected to this line at different points, arranged from top to bottom. The boxes are empty, providing space for writing events or dates.
