

Survey for Collegial Learning

Name _____

Please respond to the following questions so we can develop a plan for collegial learning.

What training in instruction or content have you attended that led you to new or more effective classroom practice?

What teaching or learning ideas are you excited about?

What do you have considerable experience with that you have held onto and done each year because it works with kids?

What are you reading that is provoking questions, new thinking, or new practice?

What would you be interested in exploring with your colleagues?
