Because **Best Practice** teaching matters more than ever

“...The single most powerful variable in student achievement is the quality of teaching. But what does quality mean? What does it look like in real classrooms? It looks like the teaching in this book.”

—Steven Zemelman, Harvey “Smokey” Daniels & Arthur Hyde

**Best Practice**

FOURTH EDITION

**Bringing Standards to Life in America’s Classrooms**

Steven Zemelman, Harvey “Smokey” Daniels & Arthur Hyde

In a time of unprecedented change, Steve Zemelman, Smokey Daniels, and Arthur Hyde help you meet our most important challenges with proven, state-of-the-art teaching.

BP4 creates common ground for everyone involved in school change with practices drawn from the latest research, professional consensus, and innovative classrooms. It supports entire schools with:

- plans and strategies for exceeding state and Common Core Standards
- cohesive principles and common language that strengthen professional collaboration
- classroom vignettes that show teachers and kids at work
- chapters on reading, writing, math, science, and social studies that support unified instructional goals
- special attention to technology in the classroom, special education, ELLs, struggling readers, and the arts.

The establishment of the CCSS offers educators an array of opportunities. But one thing is for sure: these standards do not show teachers how to teach. Indeed, the framers of the standards explicitly foreswore the realm of pedagogy. It is that vital missing link—effective, skillful, powerful teaching—that we want to explicitly address.
